## EXPERIENCE

### **Merlin Entertainments, Florida — Model Builder**

July 2019 - PRESENT

I am a model builder for LEGOLAND here in Central Florida. Work includes but is not limited to: building scale models using LEGO, working with multiple team members on larger models, loading and unloading shipments.

### **George Jenkins High School, Florida — Percussion Instr.**

June 2015 - June 2021

This was a part time position that typically has a majority of the workload from July until November. This included writing and arranging music for the drumline/percussion section, teaching 10+ students how to properly play and care for instruments, as well as marching.

### **Amazon, Florida — Outbound Process Guide**

May 2016 - Feb 2019

Work included packing boxes, picking orders, and loading trucks. I was also in the role of Process Guide, which included locating items to be shipped out by deadlines as well as communicating barriers between AA's and Management.

### **Subway, Florida — Assistant Manager**

May 2011 - May 2016

Work included preparing food, customer service, handling money, opening and closing the shop, delegating team members, managing schedules and deliveries, and weekly inventory. I became a shift leader after only 6 months, which is the minimum amount of experience required.

## EDUCATION

### **George Jenkins High School, Florida — HS Diploma**

Aug 2007 - June 2011

Graduated with honors at #83 of 400+ students. Member of the National Honor Society. Percussion Leadership for my Junior and Senior years.
